Contact the lab for detail on further options and pricing.

### Sample Submission Instructions

- Take a representative sample of the product. Recommended sample size is 500 grams or 1 lb.
- Place your name and sample number on each sample.
- Completely fill out the submission form.
- Pack samples together in one carton, making sure that you have enclosed all submission forms and payment before sending.
- Please ensure payment plus tax is enclosed. Make cheques payable to SGS Canada Inc., or contact the laboratory with credit card information. Samples received without payment will not be processed unless prior credit arrangements have been made.
